ADOPTED ON _____

AN ORDINANCE AMENDING CHAPTER 2, ARTICLE 6
OF THE SAN DIEGO MUNICIPAL CODE CHANGING
SECTION 26.04 TO RENAME THE ENERGY ADVISORY
BOARD THE ENERGY INDEPENDENCE ADVISORY BOARD
AND TO ADD PROVISIONS RELATING TO RENEWABLE
ENERGY GOALS AND BOARD APPOINTMENTS.

§ 26.04 Energy Independence Advisory Board

(a) Purpose and Intent

It is the purpose and intent of the City Council to establish an Energy
Independence Advisory Board to serve as an advisory body to the Mayor, City
Council and City Manager on energy policy and future energy needs for the
metropolitan San Diego area and to assist the City's attainment of its energy
independence and renewable energy goals.

(b) Energy Independence Advisory Board Established

There is hereby established an Energy Independence Advisory Board consisting of
nine ~~(9)~~ members who shall serve without compensation. The members shall be
appointed by the Mayor and confirmed by the Council. In making appointments
the Mayor may consider recommendations made by members of the Council and
shall include six designated members and three at-large members. The six

designated members shall be appointed from the following representative areas of organizational interest, expertise, and background:

1. San Diego Regional Energy Office (SANDAG)

2. San Diego Gas & Electric Company

3. Environmental Advocate

4. Labor Organization

5. Solar Power System Manufacturer or Installer

6. Building Industry

The three at large representatives shall be appointed at the discretion of the Mayor and subject to confirmation by the Council. Residency in the City of San Diego shall not be a condition for appointment to the Board. The members shall serve two ~~(2)~~-year terms and each members shall serve until a successor is duly appointed and confirmed. A seat vacated by a Board member from a designated area of representation shall be filled by appointment of a new member from the same designated area of representation. The members shall be appointed in such manner that the terms of not more than five ~~(5)~~-members shall expire in any year. The expiration date of all terms shall be March 1. During March of each year the Mayor may designate one ~~(1)~~-member as chairman; however, in the absence of such designation, the Board shall, on or after April 15, select a chairman from its members.

The Board shall adopt rules, regulations and organizational structure as it deems necessary, consistent with law, for the conduct of its business. The Board shall meet not less than once every six ~~(6)~~-months.

(c) Duties and Functions

The Energy Independence Advisory Board shall:

- (1) Advise the City Council and City Manager through the Mayor on energy policy and be responsible for recommending future energy guidelines to ~~include the recommendations of the Energy 2000 Task Force Report to the Mayor dated December 1, 1980.~~ accomplish the goals of the “Energy 2030: The San Diego Regional Energy Strategy” adopted by the San Diego Association of Governments (SANDAG) in July 2003.
- (2) ~~Develop an “Electricity Supply Contingency Plan” in the event imported oil supplies are cut off, or other reductions occur for any reason.~~ Advise on the best and most cost-effective method to implement a City goal to install at least fifty (50) megawatts of renewable-fueled electric generating capacity in public and private facilities by the year 2013.
- (3) ~~Develop in cooperation with the appropriate public and private agencies a public education program on future energy needs and problems in meeting them.~~ Advise how the City can remove barriers to the development of renewable energy facilities for public and private facilities in the San Diego region.
- (4) Advise on how the City can provide incentives for the development of renewable energy resources.
- (5) Coordinate with City staff to develop innovative mechanisms for financing renewable energy resources.

- (5) (6) Become aware of and develop competence in energy issues and be broadly representative of the community interests.
- (4) (7) Seek participation by regional business and political leaders and public interest groups in energy issues.
- (6) (8) Coordinate energy planning activities with the City Energy Coordinator.
- (7) (9) Perform such other studies as may be specifically requested by the Mayor and Council and provide information and advise thereon.
- (10) Report progress to the Council no later than January 3, 2004 and every six months thereafter.
